PRESIDENT'S WELCOME

As we welcome 2027, I am incredibly proud of the strength and achievements of the WASMA community and grateful for the people who continue to champion our association. Many of us work in remote and demanding environments, yet it is this network of alumni, industry partners and friends that keeps us connected, supported and thriving.

Over the years, we have witnessed graduates grow into respected professionals, innovators and industry leaders. It is a privilege to be part of a community that has shaped so many careers and made a lasting impact on the resources sector and beyond. The commitment of our council, volunteers, members and sponsors remains the foundation of WASMA's success.
